

Essential books for product builders.

Curated by jobs-to-be-done.
Three books per category, every
one completed.

- 
- 
- 1 Strategy: books that sharpen how you think
 - 2 Leadership: books that shape how you lead
 - 3 Execution: books that change how you build
 - 4 Communication: books that refine how you persuade
 - 5 Systems: books that reveal how things scale
 - 6 Culture: books that define how teams work
